Dear Sirs.

In answer to yours of Oct 17th will say I wish to keep the dollars I have and do not care to dispose of same.

The 1804 dollar being the only one I wish to sell, and if you care to negotiate for that let me know. If the dollar has had bad treatment it is in wonderful condition. and if it is damaged in any way I cant discover it

Yours very Truly
R. G. Parvin.
